

# Foundation is the key!

*Police dogs out of Europe are exported all over the world, but the most people don't know what the background was of these dogs but now there is a course who is giving answers on all your unknown questions.*

## Topics

*Culture in relation to dog training*

*Dog handler Characteristics*

*breeding, genetics, bloodlines*

Marco van Hoof

*what is different about Dutch training methods*

*Pup phases of development, socialisation*

## A course for specialists

Marco van Hoof, Judith Timan and Koen Lubbers have developed a course for professional dog handlers working with a dog trained in Europe.

The course will teach you how to work with a dog that has his background in IPO, KNPV, Schutzhund or Ringsports.

Bloodlines, Imprinting, Instinct, Body language and many more dog related issues will be dealt with in this course. More information available on
